

## **\*\* ANNOUNCEMENT \*\***

### **The Darien Swarm reaches out to the City of Darien**

On August 18th, 2008, the Darien Athletic Associate, represented by Tony Lopez, President and Steve Kirin, Vice President, spoke before the Darien City Council for the first time in the history of the DAA.

Tony Lopez presented a brief outline of the DAA to the board and described, in detail, the mission of each of our programs. Steve Kirin followed by presenting Mayor Kathleen Weaver an authentic Swarm Youth Football jersey signed by the 2008 inaugural Junior PeeWee football players and coaches. The Mayor graciously announced that the jersey will be hanging at City Hall in honor of the program. Both Tony and Steve expressed their gratitude for the support of the Darien City Council and called out to all citizens of Darien to come out to a Swarm event and see Darien's "Stars of the Future."
