The Darien Swarm becomes a feeder program of Hinsdale South High School

On April 14th, 2008, the Darien Athletic Associate became a feeder program of Hinsdale South High School in Darien, IL. This partnership will not only include the club's newly formed POP Warner Youth Football team, but also its travel soccer team, Swarm FC, and all future affiliated sports.

"This is a monumental step forward for our organization", said Tony Lopez, President of the Darien Athletic Association. "The High School has entrusted our organization's leadership and core values to help develop today's youth for their programs. We want to thank Mr. Tim Feigh, Athletic Director at Hinsdale South, for entrusting us with this mission."

The feeder program will allow the Swarm Football and Soccer programs the use of the High School's practice fields and the use of "Hornet Stadium" on opening day, August 30, 2008. Please check out our website for additional information.
